## Learning Goals

**Classroom Community-** We are working with partners this week and talking about what it means to be a good learning partner.... Listen to each other, share, be nice and treat each other how we want to be treated and taking turns. Ask your child about their partner and who is the Peanut Butter and who is the Jelly!)

**Reading-** We began reading more STAR books this week and started reading out our our OWN reading tubs. The kids are so excited to be READERS. We're working on building reading stamina... reading the WHOLE TIME. We're also working on touching our words.

**Writing-** Writers are writing true stories about something that really happened to them. We have been telling our story to our partner and writing them down.

**Math-** Numbers 1-10, Mathematicians are working on showing what these numbers look like with objects, writing those numbers and telling number stories.

## Team Days

Fridays are team days! On Early Release Fridays lets have everyone wear their Red Hawk shirt from the walk a thon. On Full Day Fridays we can wear our Maroon Class shirt.

## Walk a thon Results

- Total for all of the buildings- \$44, 021.83
- Trails total- \$10, 318. 71
- On Friday at 1:00, we will have an assembly to celebrate earning more than \$10, 000. Ten kids will get to throw a pie in the face of Principal Whaley! :)
